

MERMAID
SHIP CHANGERS

Your trusted partner !!!

Over view :

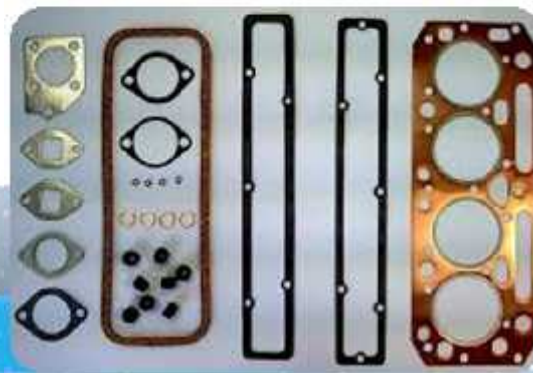

- We are one stop shop for complete marine & oil and gas spare parts and equipment , Operating in the Middle East.
- Led by professionals having substantial experience in the field of Oil & Gas & Marine.
- We provide major repair and overhauling services of all types of MTU, MAN and other marine engines and machineries.
- Our range of services includes Oil and Gas & Marine system component sourcing, procurement and distribution, supply of spares, consumables and hardware.
- We also organize repair & overhaul of marine Engines & their components. We ensure that all parts supplied by us carry full traceability .

Mermaid Advantage

- Mermaid has established itself as a premier spares and maintenance support provider in the UAE & Middle East.
- One stop source resulting in fulfilment of diverse needs of customers.
- Supply of entire requirement to the Customer to retrieve an unserviceable component rather than partial supply from various OEM's and resultant follow up on EDD's by the Customer.
- Accepting standard terms & Conditions of the customer instead of customer negotiating on separate terms and conditions with various OEM's
- Ease of follow up for the Customer due to vendor consolidation. Availability at Customer's doorstep and time zone to respond instantly to all queries etc.
